

SOCCER  KIDS

Soccer4kids are proud to present the July school holiday clinics for boys and girls to learn and improve their soccer skills and meet Perth Glory and other international soccer players. The clinic programs are designed by Jamie Harnwell and Chris Marsh and are aimed at improving individual soccer skills and social skills while encouraging sportsmanship. There are seven clinics to choose from with part of each enrolment going to the club that is hosting that particular clinic at their grounds. Every participant will also receive a soccer pack and be able to meet and quiz professional soccer players from Perth Glory. So come and meet Perth Glory players, support soccer in the local community and have some fun these school holidays.
